Drives away Flies, Mosquitoes and Gnats. It protects horses and cattle from attacks of insects, enabling them to feed and sleep in peace. It prevents loss of weight and strength from worry caused by attacks of insects, and from the irritation of their bites and stings. There is a satisfaction in the relief it affords domestic animals from the scourge of maddening parasites and flies, besides the profit in returns. Horses do more work on less feed and cows yield more and better milk when relieved from the frenzy lacited by constantly fighting a swarm of voracious, insatiable insects.

Four sizes, 25c, 5oc, 75c and \$1.25. It protects horses and cattle from attacks

weather for two days. Fire escapes and roofs are crowded with sufferers seeking a breath of air. The parks, bathing beaches and every open spot contain sweltering humanity. Resi-dences have now become so thoroughly heated through by the long siege that no relief is to be obtained inside the

A woman, while being taken to hospital suffering from aunstroke died in an Illinois trainshed while awaiting a train. Her body was taken to the undertaker's instead of the hospital.

undertaker's instead of the hospital.

A man was stricken by the sun while working on a roof. He fell to the ground and died shortly after reaching a hospital.

Another man was stricken by the heat and fell down an elevator shaft

three stories.

Of the many prostrated fully one-half will die after illness of more or

less lingering degree.

For the first time the water in th lake was too warm for comfort to bathers. This is the surf water, extending about 600 feet out. This strip of hot water nullifies the faint breezes

off the lake. The continued hot weather is parch ing the grain crops of the Middle West and the most conservative experts in the fields admit that all grain is damaged between 30 and 50 per cent.
Every day without rain will increase
this ratio at a much faster rate.
Wheat is being forced to ripen on
stalks no more than a foot high and
the grain is badly shriveled at that.

SOUTHERN PACIFIC FINED.

Eighteen [Cases of Rebating Cost \$18,000 on Pleas of Guilty.

San Francisco-Pleas of guilty were entered by the Southern Pacific Railroad company to 18 counts of the in-dictments charging rebating and dis-crimination in rates found by the Fed-eral grand jury on information gath-ered by the Interstate Commerce commission, and fines aggregating \$18,-000 were imposed by United States Circuit Judge Van Fleet. The defendants were fined \$9,000 for

rebating on shipments of matting from Kobe, Japan, to points in the United States through this city, in connection with the Pacific Mail Steamship company. On the charge of having given rebates to the California Pine Box & got one mule, and John always has to go everywhere first."—New York Sun.

The Origin of Ts.

"Senator," said the interviewer, "it

The settlement of these cases was agreed to by the government through
Assistant Attorney General Kenyon,
who instructed United States Attorney
Devlin to consent to a fine of \$1,000 on
each of the 18 counts, distributed

"For ever nice years I suffered with chronic among the various indictments.

T. R. to Help Lodge Later. Boston-The statement that Colone Roosevelt will return to Massachus in the fall and take part in the Re lican state convention is made by Sen-ator Henry Cabot Lodge. The senator said: "There is no doubt that Colonel Roosevelt will talk later and may have Roosevelt will talk later and may have something important to say. I expect he will speak here in the campaign. He is interested in my success and in the success of Governor Draper as well. Colonel Roosevelt is a wonderful votegetter and his influence here is sure to be he pful in the campaign."

Cotton Mills Curtail Heavily.

Boston—Many of the cotton mills of the United States are shut down until July 11 for the purpose of curtailing production. The corporations which closed employ about 100,000 operatives, and include the majority of the four-score mills in Fall River, the 18 mills of the Amoskeag corporation of Manchester, N. H., and numerous factories in North Carolina, South Carolina and Georgia. The renewed curtailment agreed upon recently by the cotton interests in this city will affect about 150,000 operatives. Cotton Mills Curtail Heavily.

Blow at U. S. Planned.

Caracas, Venezuela — A cable dis-patch received from Senor Rojas, Ven-ezuelan minister to the United States, in which he reported that Venezuela's delegates to the Pan-American conferdelegates to the Pan-American confer-ence, which will begin at Buenos Ayres July 9, had advocated in Chile a Latin-American alliance against the United States, has caused great excitement here. Foreign Minister Matos has sent a cable message to the delegates ad-monishing them for their action.

Ontario Forests Swept. Winnipeg, Manitoba Bush fires have invaded the towns of Devlin and La-vallee, in the Rainy river district of Ontario, although hundreds of settlers and railway men tried to fight them

At Devlin the Canadian Northern railroad station, the Ontario hotel, Cook's sawmill, stores and houses were

destroyed.

Unless rain comes, the timber in the entire district will be burned. Strikers Become Violent.
